CHRISTMAS TREE RECYCLING AVAILABLE AT EDWARDSVILLE TOWNSHIP COMMUNITY PARK

Edwardsville, Illinois – December 22, 2014. Edwardsville Township Supervisor Frank Miles today announced that Edwardsville Township will again collect live Christmas trees for recycling at the Robert C. Stille Edwardsville Township Community Park, located at 6368 Center Grove Road in Edwardsville, Illinois.

“Christmas tree recycling is another one of the many valuable community services the Township offers to Township residents,” said Supervisor Miles.

Township residents should remove all lights and decorations from the Christmas trees before bringing them to Township Park. Only live Christmas trees are accepted.

“The Township then runs all the trees through a wood chipper, creating landscape mulch that is then used throughout the park,” said Miles. “Our Christmas tree recycling program is a way for residents to safely dispose of their Christmas trees and gives the Township a source of much needed mulch.

Christmas trees will be accepted until 1/31/2015. Residents may place their trees near the dumpster in the lower parking lot.

Edwardsville Township is comprised of the City of Edwardsville, Village of Glen Carbon and unincorporated areas just outside of these two municipalities. The Township Supervisor’s office is located at 300 West Park in Edwardsville and is open from 8:30 a.m. to 4:30 p.m. on Monday and Friday and from 8:30 a.m. to 6:00 p.m. on Tuesday, Wednesday, and Thursday.
