Website: edwardsvilletownship.com

Mission: Edwardsville Township, one of the oldest townships in Illinois, is dedicated to providing outstanding service to its more than 36,000 residents. Our Township Assessor, Highway Commissioner, and Supervisor ensure the needs of our residents are met, roads and bridges are maintained, and property is assessed in an equitable and fair manner.

The Edwardsville Township provides numerous services to the community such as temporary financial assistance, rental assistance, utility assistance, and senior services. The Township, although we attempt to fulfill all of the community's needs, is unable to solve all problems. This community resource directory was created in order to encompass those programs that are available to the community that the Township does not administer.

By creating the directory, the Edwardsville Township hopes that an answer to any problem may be solved by one of the organizations listed within the directory.

The services that are mentioned in the directory are available to be utilized for residents that are within Edwardsville School District #7.

The community resource directory will be updated frequently as services offered change. Please contact the Edwardsville Township if you have any resources that you feel should be added to the resource directory.

PROGRAMS ADMINISTERED BY EDWARDSVILLE TOWNSHIP SUPERVISOR'S OFFICE

General and Emergency Assistance: The Edwardsville Township General Assistance programs help our neighbors who may need temporary financial help. This program is required by state law and is administered by the Township Supervisor. In Edwardsville Township the General Assistance program has two components. General Assistance follows specific guidelines for eligibility and operation.

LIHEAP: The Low Income Home Energy Assistance Program (LIHEAP) is designed to assist eligible low-income households pay for winter and summer energy services. LIHEAP will provide a one-time benefit to eligible households to be used for energy bills. The amount of the payment is determined by income, household size, and fuel type. An overdue bill or cut-off notice is not required in order to receive assistance.

Benefit Access: Provides a license plate discount and free transit card to residents that qualify. Must be 65 or older or disable by January 1st of current year. Must be a resident of Illinois at the time of the application.

SHIP Counseling: Senior Health Insurance Program assistance. SHIP counselors can answer questions about Medicare, Medicare Supplement insurance, Medicare Advantage Plans (HMOs, PPOs, PFFs), prescription drug coverage through Medicare and other sources such as extra help from social security for prescription drug costs, Long-term Care Insurance, Medicare claims and appeals, and Medicare Beneficiary rights and guarantees.

Resource Referral: Coordinate and refer residents to needed resources within the community. Through the Social Service Safety Net, the Township works with area organizations to coordinate services and ensure that residents needs do not fall through the cracks, hence a social services safety net. The Social Services Safety Net is a partnership between Edwardsville Township and the Edwardsville/Glen Carbon Ministerial Alliance, which brings together area social service agencies, organizations, and churches that provide services to residents of Edwardsville Community School District #7.

Please contact the Community Outreach Coordinator, Christine Doty, with any questions pertaining to these programs at 618-656-0292.

For information regarding the Township Assessor's office or the Township Highway Commissioner please visit edwardsvilletownship.com.

Education Information

Edwardsville School District #7

708 St. Louis Street, P.O. Box 250
Edwardsville, Illinois 62025

Phone: 618-656-1182 Fax: 618-692-7423

Website: www.ecusd7.org

Mission: We recognize that a public school district must set the standard for community involvement, and it must prepare our children to live and work in an ever-changing global society. We believe that we do our best work when we draw upon the wealth of talent within our District 7 community of learners. We expect high quality, experiential academics, performing arts, and athletic programs to exist throughout the school district. We expect that our students will be offered numerous quality programs that provide them with opportunities to learn and grow through the exploration and application of ideas. We remain committed to hiring and developing quality educators and staff who embrace ongoing professional development that inspires them to attain deeper and enhanced knowledge of the content they are expected to teach to our students. And as a result of this commitment, our students will be offered a rich K-12 school environment that is the norm rather than the exception. We are fortunate to have educators who are dedicated to the ideal of student-centered education.
