**Edwardsville, Illinois – March 22, 2016.** Edwardsville Township Supervisor Frank Miles announced that Edwardsville Township has donated more than 10 yards of mulch to the Watershed Nature Center for their recent Mulch Day held on March 19 at the Watershed Nature Center, located at 1591 Tower Avenue in Edwardsville.

More than 40 volunteers from the Edwardsville Rotary, Metro Community Church and the Watershed Nature Center participated in the Mulch Day to prepare the Nature Center for spring.

“Edwardsville Township Road and Bridge employees recently chipped more than 500 Christmas trees that were dropped off at Edwardsville Township Community Park over the holiday season,” said Supervisor Miles. “We reached out the Watershed Nature Center and offered some of the resulting mulch. This is a great partnership between the Watershed and the Township that highlights the sustainability efforts of both organizations and spreads a little bit of Christmas cheer!”
