HIGHWAY COMMISSIONER’S COMMENTS:

Commented regarding resolution 2025-R01-

In 2014, I said I would not take a pension, and I just want to keep my word and opt out the pension.

I have reduced my IMRF and SS from last year.

My General Road is actually higher because we moved Perm Rd interest money into a Capital Improvement line item for building improvements, it is all from interest money earned.

As you can see, the Perm Road budget is higher because in the upcoming year we will be making many significant road improvements. This will include reconstruction of Mont Road. I have been meeting with homeowners and landowners regarding these changes. I will be resurfacing Old Alton, Edwardsville, and Samuel Drive will be reconstructed with a turnaround added safely for firetrucks and buses. All estimating a total of over 2.8 million dollars. All of this will be done with money that has been saved with no increase to taxes.

ASSESSORS' COMMENTS:

The assessment books are now open, and we are working on upcoming changes for 2025. It is a bit trickier than usual as we are having to work in two programs simultaneously.

The 30-day window on the Multiplier to Appeal with the Property Tax Appeal Board in Springfield ended on April 3rd.

Edwardsville Township received a 1.0776 multiplier.

My Chief Deputy and I attended the annual IPAI state conference in March, learning and discussing numerous aspects of assessing in Illinois.

Jess, Chief Deputy, and I will also be attending a two-day class at the end of this month to get some more hands-on training with Vanguard, one of the new programs that we have been using in correlation with the County Assessor's office.

We are beginning the search for an outdoor Quad Field Specialist as well as a part-time Data Entry person to aid in moving our files over from the previous program.

OTHER COMMENTS:

The trustees each said a farewell thank you.

SUPERVISOR'S COMMENTS:

Quarterly Investment Reports were in your packet.

We will be having our April Lunch and Learn on Thursday, April 24th on Emergency Preparedness at the Edwardsville Library.

Our March Ride and Learn with MCT was a huge hit. We packed the bus and learned a lot about our local transit system. Thank you to Nicole and the staff for all of their hard work on the event.

Statement of Economic Interest - Reminder they are due **5/1/25**. Please send Andreyia confirmation when you complete yours.

We did not make the cut of the first round of the Madison County Environmental Grant we applied for earlier this year.

Last week we had the Annual Town Hall Meeting and it went smoothly and it ended in about 13 minutes.

Tennis clinic was this morning. Little chilly. Thank you to the Edwardsville Tiger Tennis teams for putting on this great event once again.

Now at the end of my final meeting as Supervisor, I want to take just a couple minutes and look back at all we have accomplished as a board these past four years.

The biggest task and accomplishment was the renovation and expansion of this building we are sitting in right now. We took over plans that had been inching along for 7 years and a building fund with \$251,000 in it, and we now have a Town Hall that is ADA compliant with modern office space and a home to hold our meetings.

We have continued many Township partnerships and programs with Main Street Community Center, Edwardsville Rotary, Edwardsville Tennis Futures, Edwardsville Arts Center, Lunch and Learns, community outreach with programs of LIHEAP, Medicare assistance, and rental assistance.

We have kept the Township Park as a destination for across the county and region as it was named one of the best playgrounds in St. Louis, one of just 3 in the Metro East in 2023. Touch-A-Truck has continued to grow as an event that people put on their calendars months in advance.

We have then gone beyond that in helping those most in need in our community with the Overnight Warming Location, food insecurity with Brown Bag Buddies, Goshen Market, and Glen-Ed Pantry, emergency response with our solar backup generators, transportation with our ACT bus passes, and creating a diaper bank here at Township Hall.

We have been a leader in the area. We were one, if not the first local government in Madison County, to pass paid parental leave. We have made our environmental impact a priority. We have tackled three solar projects that have installed close to 150 panels and over 50 kW of solar generation, as we have replaced products we have gone green with HVAC, an electric utility vehicle, electric lawn mower, and electric tools. We have continued our leadership on EV charger infrastructure. Of the public J1772 chargers in Edwardsville Township, outside the university, 3 of the 4 will be thanks to Edwardsville Township.

We did all of this while being aware of how we spent the taxpayer's funds. We ran a budget surplus every year, kept our tax burden in check, stayed in compliance of the Township reserve policy on unreserved fund balance leaving the next board with a 30% larger starting fund balance when comparing 2021 to 2025, and in 2024 we passed the lowest Edwardsville Township tax levy since 2017.

I want to thank the Highway Department for all of your help whether with Touch A Truck, at the park, or plowing the parking lot. The Assessor and your staff for everything these 4 years here, at the Farm Bureau, and back again. Tonya, thank you for answering all my many questions navigating so many issues. The Township staff and many interns over the years, especially Christine. I could not have done it with out your assistance.

And finally my family, Leland Calvin and Holden, you did a great job with the pledge earlier and I won't have to leave dinner early for nearly as many meetings now. My kids and making this

community a better place for them is why I decided to run for this position 4 years ago and am confident we have accomplished that. Kellie thank you for your support and taking on the extra burden these past four years, it was a team effort.

For our three trustees we now have a plaque to thank you for your service to Edwardsville Township.

Trustee Sitso Luh Nutsukpui, thank you for your 2 years of service and not being afraid to ask questions.

Trustee Kathie Duame, thank you for your commitment to the community both with Main Street Community Center and the past 6 years as a trustee.

Trustee Matt Chapman, thank you for all of your assistance and guidance the past 8 years from when we started as trustees together, bouncing between I believe 4 different meeting rooms, and chairing the Building committee through countless changes.

ADJOURNMENT:

There being no further business to come before the board, Trustee Chapman made the motion, Seconded by Trustee Hall, adjourned at 7:27 PM CDT. Next meet will be Tuesday, May 20, 2025, at 7:00 PM CDT at the Edwardsville Township Office, 300 West Park St., Edwardsville, Illinois.

The review and approval of the special event permit is completed by the Edwardsville Township Board of Trustees at the monthly Board meeting. Individuals/organizations are invited to attend the meeting at which their application will be considered. Special event permit applications are considered on a first come, first serve basis, with Township sponsored events taking priority.

A separate facility reservation form is required to reserve needed facilities (pavilions, fields, rink, and tennis courts). Applications for fee waivers are available for facility reservation fees and must be submitted with those applications to be considered.

Edwardsville Township reserves the right to require additional information or documentation regarding the applicant, applicant's company/organization, event sponsors, event activities, event vendors or the event itself. Organizations/businesses whose event generates income (such as registration fees) are required to make a 15% donation of gross profits to the Airplane Overhaul Fund.

Applicants must be at least 18 years or older.

Once all the requirements have been fulfilled, including receipt of all documents and payment, the special event permit will be considered by the Edwardsville Township Board of Trustees.
