OLD BUSINESS: None

**SUPERVISOR'S COMMENTS:** Supervisor Schulte reported the Township still is waiting for word from DCEO regarding whether it will be awarded a Shovel Ready Grant. News should be available soon. He noted if the Township is not awarded a Shovel Ready Grant, DCEO should have news available about the Public Infrastructure Grant awards after the first of the year.

Supervisor Schulte reminded the board that nominating packets for the April 6, 2021 consolidated election cycle currently are available for pick up at the Edwardsville Township Hall.

Mandatory state Sexual Harassment Prevention Training must be completed by December 31, 2020. Supervisor Schulte reported to the board that Administrator Behrhorst emailed elected officials and employees the PowerPoint presentation that must be completed by the deadline in order for the Township to be in compliance with the state mandate. He encouraged elected officials to complete the training and provide the administrator with signed certificates of completion as soon as possible. He noted elected officials can call the administrator if they need assistance completing the training or have questions.

The Supervisor's staff has been busy fielding calls and assisting Edwardsville Township residents in many ways throughout the pandemic. Supervisor Schulte noted several hundred calls have come into the office since March 1, 2020. He added he is proud of the help provided by Community Outreach Coordinator Christine Doty in assisting clients with energy assistance applications on behalf of the county, the state's Benefit Access program, unemployment and SNAP benefit filing, Senior Health Insurance Program counseling, assistance to area transients and homeless people, and myriad other services. He said he is impressed by the team approach taken by Ms. Doty and the entire office staff, including the administrator and the Township's two SIUE MPA interns.

Supervisor Schulte reported Illinois' Senior Farmer's Market program ended a month early this year due to a lower than normal number of participants statewide. The low number of participants was attributed to the pandemic. Edwardsville Township issued 46 voucher packets between July and September, compared with 145 voucher packets between July and October, 2019.

**HIGHWAY COMMISSIONER'S COMMENTS:** Highway Commissioner Picarella reported Edwardsville Township Road and Bridge plans to enter an agreement with TWM Consulting Engineering Services for a reconstruction project on Frisbee Lane. He noted the project will begin in 2020 with Road and Bridge obtaining easements and moving utilities for reconstruction in 2021. He added the project is expected to go out for bid in 2021.

**TOWNSHIP ASSESSOR COMMENTS:** Assessor Klopmeier thanked the board for taking the time to speak with her earlier in the afternoon concerning the assessor's salary for 2022-2025, established during the meeting with the passing of Resolution No. 2020-R16.
