**Supervisor’s Comments:**

At the beginning of the month, we had Marc Hohlt, our newest MPA SIUE intern, start and he has been a welcome addition to the Township. He has been able to hit the ground running. We have found a second intern who can hopefully start in the coming weeks to assist at the office.

Thank you for everyone submitting your sexual harassment training by the end of 2022.

Township Park- A huge thank you to Highway Commissioner Picarella for his help with a water leak at the Park shed. He received a call from the city on Christmas morning that water was coming out of the shed. From the arctic cold we had, the pipes had frozen and this was when they thawed. Within an hour he had gone out there and assessed the damage. Later that week he and Park Manager Col Van Patten fixed the leaks there and at the All Seasons bathroom.

Former employee Dennis Busch passed away on January 8, 2023. The Township sent over a card and flowers.

CD Interest Disclosure--Please see the interest income from the public fund cd's.

Be careful with suspicious emails, the Township has been receiving a lot of phishing & fake emails of late.

In the next few months, we will be required to create a new committee to look at Township consolidation and efficiency. The Decennial Committee on Local Government Consolidation and Efficiency Act was passed last year by the General Assembly and requires every 10 years a committee to look at the Township need in our present day. TOI is supposed to be receiving more guidance and providing that to us in the next month. My understanding is we will have to create 2 separate reports, one for Town and one for Road. The committee must meet a minimum of 3 times and the first meeting must be by June 2023.

Building update - Since our last meeting things have been at a standstill. The biggest holdup is over a water meter pit being required by the city as part of sprinkler system for the basement. Millennium Construction originally quoted us at \$68,000 for the whole vault/fire pit installation added to the project.

**HIGHWAY COMMISSIONER'S COMMENT:**

We have been recycling Christmas trees out at the park. We have chipped over three hundred trees.

We picked up 115 tires that were illegally dumped on our roads.

We continue doing truck maintenance.

We have been working on our budget for 2023.

The guys have been working on replacing street signs and cleaning culverts.

**TOWNSHIP ASSESSOR'S COMMENTS:**

All exemption forms for seniors, disabled persons and disabled veterans were mailed out on Jan 4. Mobile home forms were mailed out mid- January.

We are utilizing the drop box out in the front lobby of the farm bureau building.

There has been a lot of foot traffic returning forms. They have been pleased with the signage we have up within the farm bureau. Although several people have mentioned the lack of signage on the outside of the building for the township offices.

**ADJOURNMENT:** There being no further business to come before the board, motion made by Trustee Chapman seconded by Trustee Haroian, meeting adjourned at 8:02 PM CDT.

The next meeting of the Edwardsville Township board will take place at 7:30 PM, Wednesday, February 22, 2023, at the Glen Carbon Village Hall, 151 N. Main St., Glen Carbon, Illinois.
