SUPERVISOR'S COMMENTS:

- Today they started installation of the solar panels on Town Hall
- I hand delivered our Decennial Committee report to the County Clerk last week, waited till after the Election since I knew they were slammed with that.
- It has been a busy month for Community Outreach Director Christine Doty. She met with 80 LIHEAP clients from 10-17-24 to 11-17-24.
- Tomorrow, Community Outreach Director Doty and I will be delivering Thanksgiving baskets to several schools in the Township.
- This Friday we will have our November Lunch & Learn at the Edwardsville Library with the topic being community programs geared toward those struggling. If you would like to attend, please let myself or Christine know tonight or tomorrow.
- Tuesday we will be having our first Soup Social here in this very room. The purpose of this new program is to provide a warm meal for anyone who might need one, but also a chance to address loneliness and have a meal with someone you might not normally. For this one, Culver's is donating the soup, and the plan is to be pay what you can. Any funds will go toward covering supplies for this month or future Soup Socials. Trustee Nutsukpui asked how we are advertising the soup social and if we could also put

something up at the YMCA to let people know about it. Hopefully, you can make one of these next two events.

- Sexual Harassment Training will be sent out in the next week so please check your emails for that.

HIGHWAY COMMISSIONER'S COMMENTS:

- We have been getting trucks ready for winter, putting on V boxes and snowplows. Running snow routes with the new guy.
- We are going to be participating in the Glen Carbon parade on Dec 7th that goes down Main Street and ends at the Firehouse this year if anyone is interested in joining us.
- Thank you, Carrie, for going beyond her job and stepping up to the plate!

ASSESSOR'S COMMENTS:

None

Comments:

- Trustee Haroian asked a question about the job description. Has it always been a requirement to live in Township? Is this a big ask for someone? Supervisor Hall explained he felt that taxpayers are paying the salary, so it was something that he put into place.
- Trustee Nutsakpui commented that other municipalities have similar requirements depending on the job.

ADJOURNMENT:

There being no further business to come before the board, Trustee Nutsakpui made a motion, Seconded by Trustee Duame, adjourned at 7:15 PM CDT. Next meet will be Tuesday, December 17, 2024, at 7:00 PM CDT at the Edwardsville Township Office, 300 West Park St., Edwardsville, Illinois.
