SUPERVISOR'S COMMENT:

LVG Solar should be installing solar panels on Township Hall in the coming weeks.

Thank you to everyone who helped with making the 10th Annual Touch A Truck event great. We got some rain near the end that thinned out the crowd, but it was another successful event. Thank you to Adam, Christine, the intern, the Highway crew, for your help with the event.

LIHEAP and SHIP appointments have kept Community Outreach Director Christine Doty busy as she helps needy clients. They are booked until November 19 and already have fifty-nine applicants.

We are resuming our Lunch & Learn series, and the event is on October 25th at the Edwardsville Public Library. The first one of the years is a Meet & Greet and more casual and a feeling out for potential topics for the year.

HIGHWAY COMMISSIONER'S COMMENTS:

Road district really enjoyed helping with TAT this year.

We had the kids play a game, throwing a hula-hoop over a cone and then we gave out vests and stickers. It was a good event.

We are street sweeping to clean up the rock after oil and chipping. We are trying to do this before winter, so the plows do not push it into people's driveways.

We installed a culvert on Frisby also.
