SUPERVISOR’S COMMENTS:

After reviewing the CD/Money Market report last month, we made a change in financial institutions for one of the MM accounts, closing the one at Dieterich Bank and moving it to Carrollton. The change in interest rates went from 0.02% to 2.81%. This change will help increase the interest earned in the accounts for future Park projects.

Administrator Ayers and I attended the annual TOI conference in Springfield last week. I attended highly informative sessions on GA, budgeting, purchasing, bidding, the supervisor’s session, the visit to the Lincoln Museum, TOI’s general meeting and the annual awards breakfast. I received a copy of the new edition of the Laws and Duties Handbook. It was impressive to see the scope of what some large and small townships offer in their respective communities and the passion they possess to serve their constituents.

A new permanent sign about the airplane’s history in the park has been installed thanks to parks staff and road and bridge personnel assistance. Some mums have been planted under that sign and the one for military veterans nearby. I have since been informed that the memorial sign was also only supposed to be a temporary unit so we will look at the

possibility of replacing that one with a permanent structure either later this year or in the next budget. The Edwardsville Community Foundation will be providing partial funding towards the new airplane sign from the Township Park's development fund held by the ECF.

It has been busy in the GA office with many appointments. Community Outreach Director Doty has met with the following through the month of October:

89 LIHEAP clients and 15 SHIP clients

She has also coordinated the purchase of materials for 25 Thanksgiving baskets that will be distributed, five each, on Thursday afternoon to the local Head Start Center, Edwardsville High School, Lincoln Middle School, N.O. Nelson, and Leclair.

During the government shutdown, and the furlough of federal workers, Administrator Ayers made bags of food and essential hygiene items available for pick-up through our pantry. Trustee Behrhorst and her son Quinn assisted with the provision of food items and packaging the materials for distribution. We served five families through this effort and will continue to distribute the remaining bags to those in need. The remaining items that were not packed into the bags were donated to the Glen-Ed Pantry. Pantry Director Ahasay was most appreciative of our donation and continued support of their work at the Pantry.

Last month I announced the hiring of our Finance Administration Assistant. Shortly thereafter, she decided to take another position, so the job was posted once again. Administrator Ayers has been reviewing applicants and is optimistic that we will make a hire soon so we can move forward with our conversion from Sage to QuickBooks.

Earlier today we hosted the annual meetings for the Cahokia Creek Drainage and Levee District, and the Madison County Ditch Drainage and Levee District boards of Commissioners in our conference room. They were very complimentary about the convenience and ambiance of the office building. We will likely host them again next year.

Office Building stormwater drainage update: Building architect, Jamie Henderson, had a crew out to camera the drains where the downspouts channel the roof runoff. We noted in heavy rains that the "pop-up" units were not visibly discharging the water from the roof-gutters and downspouts. This caused the water to overflow the gutters at the front of the building, which led to water infiltration in the basement. Jamie has reached out to the construction company, Millenium, to remedy the situation. Three of the four drains that are supposed to discharge water at the front of the building have been covered with soil so water could not flow as expected. Also, it was noted in the report provided by Henderson Architects that the specifications for the downspout construction were not followed. I have provided a copy of the correspondence to our township attorney. I will keep you updated on progress.

Solar power news: Ameren sent a letter notifying the township that we shall see monthly credits for excess power generation in their Net Metering Program, and starting in 2026, our bills will reflect the dollar value of the excess produced. We will also receive a corrected bill to retroactively apply any Net Metering credits earned. We are still working waiting for LVG to process the rebate applications.

I want to take a minute to express my personal THANKS to all our township officials and personnel for your commitment to what you all do for our community every single day of the year. I appreciate all you do and I hope everyone has a wonderful Thanksgiving holiday.

HIGHWAY COMMISSIONER'S COMMENTS:

Work has begun on resurfacing Old Alton/Edwardsville Road. Hoping to have it complete next week weather permitting.

We will not be participating in the Glen Carbon Fire Department Christmas parade this year due to lack of CDL drivers.

Levy

I brought the levy down by about \$2,000 from last year. I have reduced both IMRF and Social Security significantly.

Last year- Total \$172,760

2025- Total \$170,760

Road-\$149,760

Road-\$160,760

IMRF-\$13,000

IMRF-\$5,000

SS-\$10,000

SS-\$5,000

***\$160,760 (\$80,380) split with Glen Carbon and Edwardsville.

Dear Supervisor Haroian and Edwardsville Township Trustees,

On behalf of the Edwardsville/Glen Carbon Habitat for Humanity, I wanted to express our gratitude for the recent donation of the lot at 216 Crane St in Edwardsville.

We cannot wait to begin on the construction which will allow a deserving member of our community to have a "hand up" and a place they can call home. This opportunity will allow Edwardsville Township residents to work hand in hand with each other and further improve the community we all know and love.

We look forward to building this relationship with the Edwardsville Township Board for many years to come. I want to say thank you once again from all of us on the Board of the Edwardsville/Glen Carbon Habitat for Humanity.

Respectfully,

A handwritten signature in blue ink that reads "Drew Westerhold".
